## LETTER FROM THE PASTOR

Dear Brothers and Sisters in Christ,

As we enter the fourth week of Advent, the final purple candle is lit, representing **Love**, symbolizing God's endless love for humanity through sending his son, Jesus; it is often called the "Angel's Candle" symbolizing the central theme of the Nativity story and the birth of Jesus. There were shepherds outside of Bethlehem tending to their flocks when an angel appeared to them and told them do not to be afraid, "This very day in David's town your savior was born—Christ the Lord!" (Luke 2:8-20). The Advent wreath symbolizes hope, peace, joy and love which comprises the four weeks leading up to the birth of Christ.

Advent is a season of hopeful waiting and preparation for Christmas, focusing on Jesus's birth and anticipating his Second Coming, observed over the four Sundays before Christmas through prayer and reflection. It's a spiritual time to slow down from our busy lives and to prepare our hearts for the arrival of Jesus. In Luke's Gospel, the angel spoke of a "savior" and said he was "Christ the Lord". This is an important detail about the identity of Jesus. The Greek word for Christ and in Hebrew has the equivalent meaning "**Messiah**". Both words mean, "**the anointed one**". And "**Lord**" is a title often used for God in the Old Testament. The angel's message is important, "**Today in the city of David a Savior has been born**": Identifies Jesus as the prophesied deliverer, born in David's hometown (Bethlehem), fulfilling Old Testament prophecy.

As the fourth week of Advent comes to an end, marking the beginning of a new liturgical year, we wait in the joyful anticipation of Christ's birth and his future return. Let us take time to slow down, to reflect on Jesus's birth, and his promise to return, again. This Christmas we celebrate God, who comes to us as 'the light of the world'. May He fill your hearts with love and joy.

Merry Christmas and may God bless you.

Fr. Chung Tran, C.Ss.R.

### **Save St. Mary's Assumption Church—Restoration Capital Campaign**

St. Mary's is one of the most beautiful and historic churches in New Orleans. It is also the final resting place of Blessed Francis Seelos, a Redemptorist priest who ministered to his parish, especially those who were sick and dying of the yellow fever epidemic. Because of heroic care for others, he contracted the illness himself and died of it. His selfless dedication has placed him on the path to sainthood in the Catholic Church. After 164 years of age and climate—which is hot, humid, and vulnerable to storms, and hurricanes—have taken a toll on St. Mary's. As a result, the church has sustained serious damage to the interior plaster walls and ceiling. As stewards of this treasure and being deeply devoted to the legacy of Blessed Francis Seelos, the Redemptorists of the parish are raising the necessary funds to preserve this beautiful church. Their "Save St. Mary's Campaign Committee" is organizing and directing its efforts to restore St. Mary's to its original beauty, while fortifying the structure for future generations. We want to thank all those who donated and contributed to our Save St. Mary's Restoration Fund to help pay for the Exterior Renovations of our Church.

We are prayerful and hopeful that we will continue to receive contributions to help fund Phase II, Interior Renovations—to restore the damaged walls and plaster inside of the church, to help repair all of the interior cracks, to preserve the antique plaster carvings, to repaint the interior with historic colors, and other interior renovations as needed.
