LETTER FROM THE ASSOCIATE PASTOR

In the beginning...

And now as we begin a new year, life goes on and our parish continues its journey heavenward. We are not the biggest parish in New Orleans, nor are we the smallest. But our parish has something no other parish in the archdiocese has – we have the *Redemptorists*.

What or who are the Redemptorists? Our full and complete name is “the Congregation of the Most Holy Redeemer” affectionately called the “Redemptorists”. The congregation was founded by St. Alphonsus Liguori in 1732 just outside of Naples, Italy. By 1832, the Redemptorists were in much of western Europe and looking to expand to the Americas. We are now, currently in a little over 80 countries on every continent. We number just around 4,500 professed men, mostly priests, a few cardinals and a few bishops, and the rest are lay brothers, and students.

We come together to serve the Church by reaching out to the “Most Abandoned” helping the neglected and wounded find their way to Christ while embracing God’s powerful love for us. In our parish, we have the outreach ministries who help the homeless and hungry like the Hope House and others.

We also embrace the sick and infirmed through the work of the Blessed Seelos Shrine. Just as in the 1860s, Blessed Father Francis Xavier Seelos cared for those suffering from yellow fever, and we continue through his intercession to embrace and to care for the afflicted in our neighborhood, and throughout the diocese.

And as we continue...

In future editions of our parish bulletin, we will try to answer the many questions we hear from you, our parishioners about the Redemptorists. Feel free to reach out to me, Fr. Andy at frandythompsoncssr@gmail.com.

May God bless you,
-Fr. Andy Thompson, C.Ss.R.

The Redemptorists
With Him is plentiful redemption. (Psalm 130:7)

Pope Leo XIV closed the Holy Door at St. Peter's Basilica, officially ending the Jubilee Year of Hope 2025, begun by Pope Francis in December 2024. After a brief moment of silent prayer, Pope Leo shut the bronze doors, stressing that while the Holy Year has ended, the door of God's mercy remains open to the faithful.

Only the doors were closed publicly, while the traditional sealing will take place privately in the coming days. Pope Leo also shared that the next Jubilee will be held in 2033, marking 2,000 years since Christ's death and resurrection. The door will be reopened at that time.

Meet a Redemptorist!

Fr. Joe Maier C.Ss.R. founded the Mercy Centre Human Development Foundation to serve the poorest of the poor in Bangkok, Thailand. He has spent more than 45 years creating simple, progressive solutions that positively impact the lives of thousands of children and their families. In the process, Fr. Joe has earned the respect of grandmothers, government officials, Buddhist monks, the local Imam and the Crown Princess of Thailand. He claims his faith is far from perfect, but Archbishop Desmond Tutu described him as "the vivid expression of God's will for how we treat the human family."

Save St. Mary's Assumption Church – Restoration Capital Campaign

St. Mary's is one of the most beautiful and historic churches in New Orleans. It is also the final resting place of Blessed Francis Seelos, a Redemptorist priest who ministered to his parish, especially those who were sick and dying of the yellow fever epidemic. Because of heroic care for others, he contracted the illness himself and died of it. His selfless dedication has placed him on the path to sainthood in the Catholic Church. After 164 years of age and climate – which is hot, humid, and vulnerable to storms, and hurricanes – have taken a toll on St. Mary's. As a result, the church has sustained serious damage to the interior plaster walls and ceiling. As stewards of this treasure and being deeply devoted to the legacy of Blessed Francis Seelos, the Redemptorists of the parish are raising the necessary funds to preserve this beautiful church. Their "Save St. Mary's Campaign Committee" is organizing and directing its efforts to restore St. Mary's to its original beauty, while fortifying the structure for future generations. We want to thank all those who donated and contributed to our Save St. Mary's Restoration Fund to help pay for the Exterior Renovations of our Church.

We are prayerful and hopeful that we will continue to receive contributions to help fund Phase II, Interior Renovations – to restore the damaged walls and plaster inside of the church, to help repair all of the interior cracks, to preserve the antique plaster carvings, to repaint the interior with historic colors, and other interior renovations as needed.

Would you consider helping us raise funds to complete the Interior Restoration of the Church?
